

## NOT YET AN EPEX SPOT MEMBER?

# HOW TO TRADE IN POLAND

## TRANSMISSION AGREEMENT

- Default option: Sign the Contract on Provision of Electricity Transmission Services with the Polish TSO, Polskie Sieci Elektroenergetyczne (PSE)
- Alternative Option: Third-party balancing agreement usage

**Documents in Polish:** [Wzory wniosków i umów](#)

**Documents in English:** [Agreements and applications templates](#)

## LOCAL TRADING LICENSE

- Register with the Polish government to obtain the local trading license if needed.

Click [here](#) for more information

## WIRE PROTOCOL FOR NOMINATIONS

- Option 1:** Develop and install your own WIRE nomination system

**Option 2:** Purchase an SaaS solution with an external service provider

**Alternative Option:** Together with the third-party balancing agreement usage nominations are done through the balancing agreement owner

Click [here](#) for more information (in Polish)

**Contact:** [sales@epexspot.com](mailto:sales@epexspot.com)

## CLEARING

- Find a clearing bank or sign a Settlement Bank Agreement with ECC
