

Communication N°: COM-K-V1-20130910

Communication Date: 10 September 2013

In Application of: *Article 31.6 of the Market Rules and
Article 4.3 of the Market Segment
Procedure*

Market Segments concerned: DAM

Belpex communicates:

*Maximum volume of Block Orders that may be submitted on
the Trading Platform:*

- **2500 MW/hour/Participant**
- **400 MW/Block Order**

*[**Note:** For purchases or sales at **any price**, Belpex strongly advises to **avoid the use of block orders**. A block order at any price can be **paradoxically rejected**, and therefore holds the risk of not being contracted, in contrary to a series of individual hourly orders at any price.]*

Date Communication enters into effect:

18 September 2013, for delivery on **19 September 2013**
